Our Pensions, Our Future

The exercise was very successful based on the feedback we got from the participants.

In the Eastern region, the Secretariat met 6 out of 33 districts in the region (18%) and by so doing, trained 560 members. There will be a second round of member engagement activities as a mop-up exercise to ensure that all districts are trained on pensions.

Conclusion

The exercise was very successful based on the feedback gathered from the 560 participants. The Secretariat will like to thank Ghana Education Service, its Directors the District Directors and leaders for their assistance as well as the various educational sector unions for their immerse support.

The Secretariat will be visiting the Greater Accra Region from the 31st May to 4th June 2021 for its next member engagement exercise.
